

THE MEMORY PROJECT

To celebrate 30 years of YSP, we are asking visitors to help create a memory bank of shared experiences and images. Whether a favourite artist or exhibition, a loved sculpture or a special moment spent, we hope to capture a collective response to this unique place.

Use the reverse of this card to tell us your memories of YSP, which can be recent or drawn from the past 30 years. Please add photos / sketches if you wish (unfortunately we are unable return them). Either hand in your completed card at the YSP information desk or post to: Anna Neville, Yorkshire Sculpture Park, West Bretton, Wakefield, WF4 4LG. You can also take part via the website: www.ysp.co.uk. Later in 2007 you may see your contribution on the special Memory Project website.

- If you want to receive YSP's ebulletin, please add your email address on the reverse
