

Take it and make it:

Use the fortune teller to help inspire your next project.

1. When you get home cut out the square of paper carefully.
Ask a grown up if you need help!
2. Turn over so the blank side is face up
3. Fold all four corners to the centre
4. Turn over
5. Fold all four corners to the centre
6. Fold in half and open, then fold in half the other way
7. Put your thumbs and index fingers of both hands into the four pockets
